

Buckeye Bridge Ride

Dear Community Supporter,

The Friends of Preble County 4-H, a non-profit group with a mission of supporting the Preble county 4-H program in many ways, is continuing with the opportunity to operate the Buckeye Bridge Ride. This is the 17th year for this popular event which will bring many from inside and outside of Preble County. Ride participants will travel up to 45 miles throughout our scenic county and across the four historic covered bridges.

As proceeds from this event will help the Friends of Preble County 4-H group to support our youth, we ask for your help through any of the sponsorship opportunities below. With your help and the participation of our riders we have been able to provide over \$18,175 of support to 4H and 4H youth in the last four years!! **THANKS!!!!**
