

Buckeye Bridge Ride

Dear Community Supporter,

The Friends of Preble County 4-H, a non-profit group with a mission of supporting the Preble County 4-H program in many ways, is continuing with the opportunity to operate the Buckeye Bridge Ride. This is the 20th year for this popular event which will bring many from inside and outside of Preble County. Ride participants will travel up to 51 miles throughout our scenic county and experience up to four historic covered bridges.

As proceeds from this event will help the Friends of Preble County 4-H group to support our youth, we ask for your help through any of the sponsorship opportunities below. With your help and the participation of our riders, we have been able to provide over \$23,740 of support to 4H and 4H youth in the last seven years!! **THANKS!!!!**
